Summary

Full Stack Software Engineer focused on building scalable web applications and clean user interfaces. Strong in JavaScript ecosystems, modern frontend frameworks, and backend integration. I solve real business problems through efficient system design, clear architecture, and reliable code.

Experience

MAY 2024 - PRESENT

Freelance UI/UX Designer and Full Stack Web Developer

- Built and deployed 3+ production web applications using React, Express, PostgreSQL, Tailwind, Astro, and NodeJS.
- Designed user interfaces in Figma and translated designs into code for 4+ projects, ensuring fully responsive sites across mobile and desktop
- Integrated Contentful CMS for 3 projects, enabling non-technical clients to update content without developer support.
- Example projects:
 - ❖ Focus Flow - React, Tailwind, PostgreSQL, TypeScript, Express.
 - ❖ Olive Menorah Portfolio - React, ShadCN, Tailwind, Zod.
 - ❖ KNC Legal - Astro, Tailwind, Contentful. Link: [Kinyanjui Njeru and Co](#)
 - ❖ Leadwell Consulting - Astro, Tailwind, Contentful. Link: leadwellconsulting.net Figma Link: [Leadwell Mockup](#)
 - ❖ Pen Paralegal - Astro, Tailwind, Contentful. Link: penparalegalservices.ca Figma Link: [Pen Paralegal Mockup](#)
 - ❖ NeoTechnic Spares - Astro, Tailwind, Contentful. Link: neotechnicspares.com Figma Link: [NeoTechnic Mockup](#)

MAR 2025 - DEC 2025

Geviton - Project Management Graduate Trainee

- Supported the execution of 3 projects by developing project plans, tracking milestones, and updating task lists and timelines, ensuring objectives were met within planned timelines
- Maintained reports and documentation using Google Docs and Notion, improving visibility for stakeholders and decision-making
- Prepared and maintained weekly capacity reports, cockpit reports, and risk logs to support informed decision-making.

FEB 2022 - JUL 2024

SchoolTry Limited - Technical Support Associate

- Onboarded data for 12 schools, expanding product adoption, and supporting a smooth transition into the platform
- Conducted 2 on-site product demonstrations, improving client understanding and system acceptance

JAN 2023 - MAR 2023

Ngei Primary School - Teacher(Volunteer)

- Volunteered as a teaching aid at a government public primary school, delivering English and Science lessons to Grades 6 and 8 for 225 hours.

Education

JUL 2021 - DEC 2024
